

SHIRLEY COMMUNITY CHURCH **USE OF CHURCH INTERNET ACCOUNT**

Use Of Internet

The internet connection in the Church is provided solely for the use and purposes of the Church. Access to the internet by wi-fi is provided throughout the Church and can be accessed by entering the security password. The password will be supplied by the Administrator where appropriate.

Inappropriate Use

- The internet connection must not be used for personal use or profit.
- Users must not access, download, display or circulate any information in the following categories:
 - pornography (including child pornography)
 - gambling
 - gaming (playing computer games)
 - promoting discrimination of any kind
 - promoting racial or religious hatred
 - involves threats including promotion of violence
 - promoting illegal acts
 - any other information which may be offensive to others
- Incidents which appear to involve deliberate access to websites, newsgroups and online groups that contain the following material will be reported to the police.
 - images of child abuse (images of children, apparently under 16 years old) involved in sexual activity or posed to be sexually provocative
 - adult material that potentially breaches the Obscene Publications Act in the UK
 - criminally racist material under UK law
- If inappropriate material is accessed accidentally users should immediately report this to the Administrator.

Monitoring

The Church reserve the right to monitor at any time the use of the internet by individuals to see whether users are complying with the guidelines.
